Nikon Coolpix L20 Digital Camera

&

Ikelite **ULTRAcompact** Housing

Dive into underwater photography with two names you know you can trust: Ikelite and Nikon™. We are thrilled to offer this compact and easy-to-use system at an incredibly low price... Perfect as a beginning system or as a backup.

Nikon's COOLPIX cameras has proved extremely popular with both amateurs and professionals with the ability to capture images easily with a stylish and compact camera. The new COOLPIX L22 is the latest addition to this series, combining a range of features that justify Nikon's reputation as the pioneer of state-of-the-art camera technology.

The Ikelite ULTRAcompact digital housing for the Nikon Coolpix L22 really delivers when performance and durability matter. The ULTRAcompact housing is high quality, built to last, and backed by Ikelite's long-standing reputation for excellence. Depth rating to 60m (200ft).

AF35 AutoFlash Kit

The AF35 AutoFlash is ideal for use with the Nikon L22 and housing package as well as most compact digital camera housings. The AF35 replicates the camera's flash for automatic exposure in any situation.

Travel Bag for Compact Systems

Looking for the perfect carry-on bag for your compact system? This handsome bag made of heavy-duty nylon fits the bill. "Open" styling makes this bag incredibly versatile for toting a wide range of photo equipment and personal effects.
